

Member States Organizations - National Contact Persons for the UNSCEAR Global Radiation Exposure Surveys

| <i>Country</i> | <i>Organization</i> |
|-------------------------------|--|
| Algeria | Nuclear Research Center of Algiers |
| Argentina | Nuclear Regulatory Authority |
| Armenia | Armenian Nuclear Regulatory Authority |
| Australia | Australian Radiation Protection and Nuclear Safety Agency |
| Austria | Federal Ministry of Labour, Social Affairs, Health and Consumer Protection |
| Bangladesh | Bangladesh Atomic Energy Commission |
| Belarus | State Research Centre for Radiation Medicine and Human Ecology |
| Belgium | Federal Agency for Nuclear Control |
| Benin | University of Abomey-Calavi |
| Bolivia (Plurinational State) | Autoridad de Fiscalización de Electricidad y Tecnología Nuclear |
| Bosnia and Herzegovina | State Regulatory Agency for Radiation and Nuclear Safety |
| Botswana | Radiation Protection Inspectorate |
| Brazil | Radioprotection and Dosimetry Institute |
| Bulgaria | National Centre of Radiobiology and Radiation Protection |
| Cabo Verde | Universidade de Cabo Verde |
| Canada | Health Canada |
| Chile | Chilean Nuclear Energy Commission |
| China | China National Nuclear Corporation |
| Costa Rica | Ministry of Health |
| Croatia | State Office Radiological and Nuclear Safety |
| Cyprus | Radiation Inspection and Control Service |
| Czech Republic | State Office for Nuclear Safety |
| Denmark | Danish Health Authority Radiation Protection |
| Ecuador | Ministerio de Energía y Recursos Naturales no Renovables |
| Egypt | Egyptian Atomic Energy Authority |
| Estonia | Environmental Board Radiation Safety Department |
| Ethiopia | Ethiopian Radiation Protection Authority |
| Finland | Radiation and Nuclear Authority |
| France | Radioprotection and Nuclear Safety Institute |
| Georgia | Agency of Nuclear and Radiation Safety |
| Germany | Federal Office for Radiation Protection |
| Ghana | Ghana Atomic Energy Commission |
| Greece | Greek Atomic Energy Commission |
| Guatemala | General Directorate of Energy |
| Hungary | National Research Directorate for Radiobiology and Radiohygiene |
| Iceland | Icelandic Radiation Safety Authority |
| India | Atomic Energy Regulatory Board |
| Indonesia | National Nuclear Energy Agency |
| Iran (Islamic Republic of) | Iran Nuclear Regulatory Authority |
| Iraq | Ministry of Health and Environment and Ministry of Science and Technology |
| Ireland | Health Information and Quality Authority and Environmental Protection Agency |
| Israel | Ministry of Environmental Protection |
| Italy | Italian National Institute of Health |
| Japan | National Institute of Radiological Science |
| Jordan | Ministry of Health of Hashemite Kingdom of Jordan |
| Kazakhstan | Committee for National Healthcare of the Ministry of Healthcare |
| Kenya | Radiation Protection Board of the Ministry of Health |
| Kuwait | Radiation Protection Department Ministry of Health |
| Latvia | Radiation Safety Centre of State Environmental Service |
| Lebanon | Lebanese Atomic Energy Commission |

| Country | Organization |
|-----------------------|--|
| Libya | Radiation Measurements and Training Center |
| Lithuania | Radiation Protection Centre |
| Luxembourg | Radiation Protection Division, Ministry of Health |
| Madagascar | Centre Hospitalier Universitaire Joseph Ravoahangy Andrianavalona |
| Malawi | Atomic Energy Regulatory Authority |
| Malaysia | Medical Radiation Surveillance Division, Ministry of Health |
| Malta | Occupational Health and Safety Authority and Radiation Protection Commission |
| Mauritania | National Authority of Radiation Protection, Safety and Nuclear Security |
| Mauritius | Radiation Protection Authority |
| Mexico | National Commission for Nuclear Safety and Safeguards |
| Montenegro | Clinical Centre of Montenegro |
| Myanmar | Department of Atomic Energy, Ministry of Science and Technology |
| Netherlands | National Institute for Public Health and the Environment |
| Niger | Centre Nationale de Radioprotection |
| Nigeria | Nigerian Nuclear Regulatory Authority |
| North Macedonia | National Public Health Institute |
| Norway | Norwegian Radiation Protection Authority |
| Oman | Ministry of Foreign Affairs |
| Pakistan | Pakistan Nuclear Regulatory Authority |
| Palestine (State of)* | Radiation Protection and Detection Unit, Ministry of Health |
| Panama | Ministry of Health |
| Peru | Peruvian Institute of Nuclear Energy |
| Philippines | Philippine Nuclear Research Institute |
| Poland | National Centre of Radiological Protection in the Healthcare |
| Portugal | Portuguese Environment Agency |
| Qatar | Hamad Medical cooperation and Ministry of Public Health |
| Republic of Korea | Korea Institute of Radiological and Medical Sciences |
| Romania | National Institute for Public Health |
| Russian Federation | Saint Petersburg Scientific Research Institute of Radiation Hygiene |
| San Marino | Institute for Social Security of San Marino |
| Saudi Arabia | King Abdullah City for Atomic and Renewable Energy |
| Sierra Leone | Ministry of the Environment |
| Slovak Republic | Public Health Authority |
| Slovenia | Slovenian Radiation Protection Administration |
| South Africa | National Nuclear Regulator |
| Spain | Nuclear Safety Council |
| Sudan | Sudan Atomic Energy Commission |
| Sweden | Swedish Radiation Safety Authority |
| Switzerland | Federal Office of Public Health |
| Syria | Atomic Energy Commission |
| Thailand | Ministry of Higher Education, Science, Research and Innovation |
| Trinidad and Tobago | North West Regional Health Authority |
| Turkey | Nuclear Regulatory Authority |
| Ukraine | National Research Center for Radiation Medicine |
| United Arab Emirates | Federal Authority for Nuclear Regulation |
| United Kingdom | Public Health England |
| United States | John Hopkins University School of Medicine and Colorado State University |
| Uruguay | Ministerio de Industria, Energía y Minería |
| Viet Nam | Viet Nam Atomic Energy Institute |

* Non-Member States of the United Nations but member of one or more specialized agencies
